FACT SHEET · NOVEMBER 8, 2026

Dove at a glance

A place-saving and planning app for deciding where to go together.

Product	Dove · pronounced "DOH-veh" · Brand styling: dove. · Tagline: WHERE TO?
Launch	November 8, 2026 · Download Dove on the App Store
Platforms	iPhone, iPad, Mac, and Apple Vision Pro. Requires iOS 26, iPadOS 26, macOS 26 (Apple M1 or later), or visionOS 26 or later.
Purpose	Save places, organize collections, create a shortlist, and choose together through a shared Plan. Participants vote Yes, Maybe, or No; the organizer chooses.
Dove Plus	Saving and exploring places are free. Dove Plus unlocks creating Plans. Invitees can join and vote without subscribing. Current local pricing, trial eligibility, and renewal terms are shown in the App Store and before purchase.
Privacy	No separate email signup. iCloud and CloudKit support personal data and chosen sharing. Limited product analytics use Mixpanel; Apple and RevenueCat handle purchases and subscription access.
Intelligence	Apple Intelligence availability depends on compatible devices, settings, language, and region. Supported workflows can use on-device processing and Private Cloud Compute.
Maker	Karan · Bridgetown App Studio · Portland, Oregon
Media	Original Dove mark, Header v2, and Search v3 artwork. Illustrative artwork uses generated people and fictional venues; it is not an untouched app screenshot or a restaurant endorsement.
